LANDSTUHL

Outdoor Pools in Union Community reopen

Outdoor pools in the Union Community of Landstuhl open again. However, only a maximum of 700 visitors may be inside the 'natural adventure' pool in Landstuhl; only 650 visitors are allowed simultaneously in the outdoor pool in Trippstadt. Tickets for both pools are exclusively to be had via the internet page of the Union Community of Landstuhl. Besides that rules for physical distancing and hygiene apply. A minimum distance of 1.50 meter should be complied with inside the pool as well.
