DoDEA Kaiserslautern / Sembach / Vogelweh School Bus
Registration Form School Year 2020/2021

Information for Parents

**** Bus Pass Issue****

You must re-register every school year. The bus office is not informed who departs during the school year. **Bringing the bus form to the school does not count as handing the form in. The bus office is not part of the school.** To make sure the bus office receives the form. It is wise to bring/email the form to the bus office. The bus office is in BLDG 2000 Room 165 on the Kaiserslautern Schools Compound.

****With Exception to Feeders****

Bus passes are not issued at the same time as normal bus passes. **The time frame for issuing bus pass all depends on how the registration is for that school year.** Every year the buses are relooked to see if there is space. Even if you received a bus pass last school year, does not mean you will receive one this school year. Just as you were informed before at any time the bus pass can be requested back. If this would happen then you will be required to transport your student as stated in the policy SOP 05-03.

****Bus Pass Mailing****

Bus passes are mailed during the summer with one mail out. The bus office must have your bus request form in their office prior to the mail out. If you wait till after the mail out you will be required to return the bus office to pick up the passes. There is no exception to this. The bus office will not do more than one mail out.

****Schedules****

It is wise to keep the schedules at your home. On the schedules are midday runs this is for days when the school is only half day. The times are there to give you an idea on the time frame. Just as the pm run is a time frame when the bus will arrive. It is best to be at the bus stops 10min prior to what the schedule states. Due to traffic the bus may be ahead of schedule or behind.

****Questions or Concerns****

If you have any question or concerns about the bus services please email the bus office at Kaiserslautern.sbo@dodea.edu .
