

The **Kaiserslautern Military Community School Liaison Offices** are dedicated to assist community partners in providing military families the best possible education for all students. School Liaisons serve as community facilitators; connecting schools, families and community services to address issues impacting the education of military children.

This pamphlet is provided for information purposes only. School Liaisons believe that education is a parental choice; we neither encourage, nor discourage, DoD sponsors from pursuing alternative education services or programs.

Homeschooling in Germany

"In 2008, the Ministerium für Bildung, Wissenschaft, Weiterbildung und Kultur advised that it was the position of the State of Rheinland-Pfalz that the mandatory schooling provisions in German Law (that essentially prohibits home schooling) does not apply to US personnel stationed in Germany who are covered by the NATO Status of Forces Agreement. In 2014, we re-confirmed with the Ministerium für Bildung, Wissenschaft, Weiterbildung und Kultur that this was their official position. However, the 86 Airlift Wing takes no position on the application of the mandatory German schooling law to US personnel and recommends that anyone wishing to home school their child(ren) consider discussing the matter with a private German attorney."

United Homeschoolers of Germany

(Updated June 2023)

"UHSG is a volunteer run inclusive support group for homeschooling families in the Kaiserslautern/Ramstein area. Our members are comprised of homeschooling families covered under the SOFA and living temporarily in Germany. We encourage diversity and welcome all regardless of race, religion, or homeschool style. Together, we provide a network of support where homeschooling families can share ideas, organize field trips or enrichment classes, connect with local organizations, provide information about living in Germany, and help families new to homeschooling. Because of the unique and often transient nature of this community, UHSG strives to offer a welcoming and safe place for parents as well as children."
