Information and procedures in the *Guide* are current as of October 2019 and may be affected by changes to Federal and state law. Check FVAP.gov for updates and for information on how to get updated information.

We want your feedback! If this book was helpful to you, if you ran into problems, or have questions, please email vote@fvap.gov or mail: **Federal Voting Assistance Program**, 4800 Mark Center Dr., Ste 05E22; Alexandria, VA 22350.

Dear *Voting Assistance Guide* User:

Welcome to the 2020-2021 *Voting Assistance Guide* (*Guide*). The *Guide*, published every two years and continually updated online, is a catalog of the state-specific processes and regulations that military and overseas voters should follow to successfully register to vote and cast an absentee ballot. FVAP produces this important resource for each election cycle, as it often serves as a single source of information for both Voting Assistance Officers and voters. It contains all of the essential steps Uniformed Service members, their eligible family members, and overseas citizens should take to complete the absentee voting process.

FVAP works closely with state election officials through several rounds of coordination to put this volume together and we cannot accomplish this without their collaboration and valuable input. For the 2020 election year, this *Guide* reflects our continued focus on federal election eligibility and our consistent effort to streamline content to better support our Voting Assistance Officers. The biggest change to our forms, the Federal Post Card Application (FPCA) and the Federal Write-In Absentee Ballot (FWAB), is the removal of activated National Guard members on State orders, as this group is not eligible to use our resources under federal law which resulted in continued confusion. Both of these forms are updated to reflect usability enhancements to avoid unforced errors in their completion so all of the supporting step-by-step instructions are revised. So even if you are an experienced Voting Assistance Officer, this edition represents an excellent opportunity for a refresher.

Regardless of duty station or distance from home, FVAP is committed to providing the best voting assistance possible to the members of our military, their families, and overseas citizens. We look forward to continuing to serve our voters - and offering the best support we can for all federal elections in 2020.

Sincerely,

A handwritten signature in blue ink that reads "David Beirne". The signature is fluid and cursive.

David Beirne
Director, Federal Voting Assistance Program

Chapter 1

How to vote absentee

To vote in a U.S. election, on the day of the election you must:

- be a U.S. citizen
- be 18 years old
- be absent from your voting residence

Voting absentee?

The absentee voting process in this guide applies to you if you are:

- an active duty member of the Uniformed Services, Merchant Marine, or commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration;
- an eligible spouse or family member of an active duty member of the Uniformed Services, Merchant Marine, or commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration; or
- a U.S. citizen residing outside the U.S.

This guide may also apply to you if you are:

- a member of the National Guard activated on State orders, in some states.

See state requirements in *Chapter 2 Absentee voting procedures by State or territory*.

This guide does NOT apply to you if:

- you are located at your voting residence on election day.

To vote locally contact your election office or complete a National Voter Registration Form (NVRF), which may be obtained from your Installation Voter Assistance Office (IVA Office) or from the Election Assistance Commission website (EAC.gov).

Contact your state election office or website for more information. See *Chapter 2 Absentee voting procedures by state or territory* for contact information.

How do you vote absentee?

There are three steps to voting absentee in an election:

Step 1: Register and request your absentee ballot using the Federal Post Card Application (FPCA)

Under the *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)*, a federal law, the FPCA registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year.

To get an FPCA

Online version:

- Use the online assistant at [FVAP.gov](https://www.fvap.gov) to complete your FPCA. The online assistant uses your state's requirements as you go through the process of completing the form. Once you have finished, download the PDF package, print, sign, and send.
- Visit [FVAP.gov](https://www.fvap.gov) to download the fillable FPCA. Complete it using your state's requirements listed in Chapter 2 of the Voting Assistance Guide. Then print, sign, and send.
- NOTE: You will need to have your own envelope to send your completed FPCA by mail. Envelope templates are available to download online at [FVAP.gov](https://www.fvap.gov).

Hardcopy version:

- Get a hardcopy FPCA from a Voting Assistance Officer (VAO), at an Installation Voter Assistance (IVA) Office at any military installation, or at a U.S. embassy or consulate.
- Make a copy of the FPCA found in Chapter 1 or the Appendix of the Voting Assistance Guide.

Send your completed and signed FPCA to your election official.

To find your state transmission methods, see state requirements in *Chapter 2 Absentee voting procedures by state or territory*.

Step 2: Receive your absentee ballot

Your election official will process your FPCA to determine the appropriate ballot to send you. If you have questions about the status of your FPCA, contact your local election office directly. Your local election official will contact you if your application is denied or if they need additional information from you in order to process your form.

Election officials are required to send absentee ballots no later than 45 days before an election for those who are registered and have requested a ballot. If you submit your FPCA within 45 days of the election, they will send your ballot as soon as possible, upon processing your form.

All states must allow you to receive your blank absentee ballot electronically, when requested. This may include email, fax, or online download.

How often should I complete an FPCA? To ensure you continue to receive absentee ballots during your time away from your voting residence, be sure to *submit a new FPCA every January*, each time you move, or at least 90 days prior to the election you want to vote in.

How do I know what information must be included in the FPCA? Chapter 2 of the Voting Assistance Guide provides instructions for each state and territory for completing and transmitting the FPCA.

Step 3a: Return your voted state ballot

Vote and return your state absentee ballot as soon as you receive it. Follow the instructions sent with your ballot to mark and return your ballot.

Know the deadline. The date when your election office must receive your completed ballot is set by each state.

See state requirements in *Chapter 2 Absentee voting procedures by state or territory*.

Step 3b: If you do not receive your state ballot

If you do not receive your state absentee ballot in time to return it to your election office by the state deadline, use the Federal Write-In Absentee Ballot (FWAB).

The FWAB serves as a backup ballot for voters covered by UOCAVA. The FWAB can be used in all states and territories to vote for federal offices (President/Vice President, U.S. Senate, U.S. Representative and Delegate or Resident Commissioner). Some states allow the FWAB to be used to vote for state and local offices, ballot questions, and referenda.

See state requirements in *Chapter 2 Absentee voting procedures by state or territory*.

To get a FWAB

Online version:

- Use the online assistant at [FVAP.gov](https://www.fvap.gov) to complete the FWAB. The online assistant uses your state's requirements as you go through the process of completing the FWAB. Then, download the PDF package, print, sign, and send.
- Visit [FVAP.gov](https://www.fvap.gov) to download the fillable FWAB. Complete it using the state requirements listed in Chapter 2 of the Voting Assistance Guide. Then print, sign, and send.
- NOTE: You will need to have your own envelopes to submit your completed FWAB by mail. Envelope templates are available to download online at [FVAP.gov](https://www.fvap.gov).

Hardcopy version:

- Get a hardcopy FWAB from a Voting Assistance Officer (VAO), at an Installation Voter Assistance (IVA) Office at any military installation, or at a U.S. embassy or consulate.
- Make a copy of the FWAB found in Chapter 1 or the Appendix of the Voting Assistance Guide.

Send your completed and signed FWAB package to your election official.

To find your state transmission methods, see state requirements in *Chapter 2 Absentee voting procedures by state or territory*.

What if I do not receive my absentee ballot and the election is 30 days away? If you do not receive your state absentee ballot 30 days before the election, use the Federal Write-In Absentee Ballot (FWAB). Information about the FWAB can be found in Chapter 1 and in your state's pages in Chapter 2.

What do I do if I don't know all the candidates running for office when completing the FWAB? You can write in party affiliation - name misspellings are okay.

Chapter 1

The FWAB consists of:

- Voter Information Page
- Official Backup Ballot
- Mailing Envelope.

Send your completed and signed FWAB to your election official.

To find your state transmission methods, see state requirements in *Chapter 2 Absentee voting procedures by state or territory*.

Timeline of the absentee voting process:

Step	What	When
1	Register and request an absentee ballot using the Federal Post Card Application (FPCA) -	January of each year
2	Receive your absentee ballot from your state election office -	45-30 calendar days before the election
3a & 3b	Return your state absentee ballot to your state; If you do not receive your state absentee ballot, use the Federal Write-In Absentee Ballot (FWAB) -	As soon as you receive it
NOTE:	If you are at sea or at other overseas locations without access to the military postal system you should send your voted ballots to your election office -	35 calendar days before the election
NOTE:	If you are at an overseas military installation with access to the military postal system you should send your voted ballots to your election office -	30 calendar days before the election
NOTE:	If you are a stateside Uniformed Service member or an eligible family member you should send your voted ballots to your election office -	11 calendar days before the election

If you receive your state absentee ballot after submitting the FWAB, complete and return it. If both the FWAB and state absentee ballot are received by the deadline, only one will be counted.

You **must mail** your signed FPCA to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail** or

online*.

Contact information can be found in the "Local Election Offices" section. If you do not have access to a fax machine to fax your election official directly, you may use the DoD Fax Service to fax your ballot. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

***Online only if you requested your absentee ballot by email/online and are located outside the territorial limits of the United States. Instructions for this option will be provided when your state absentee ballot is transmitted to you electronically.**

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

You can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide **either** an Alabama-issued ID number **or** the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Alabama-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your

address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.

Section 5 A. Do not check "Yes" or "No." The FWAB cannot be used for voter registration or as a ballot request.

B. You can receive your absentee ballot by mail or email/online. Select your preferred method of receiving your absentee ballot.

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form.

This form must have two witness signatures.

Section 7 Sign and date the form.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your

Alabama

election official. Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail

California

	Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent or legal guardian who last resided in California, is eligible to vote in California, as long as the parent or legal guardian has not registered or voted in another state.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://voterstatus.sos.ca.gov/
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/california

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. Provide either a California-issued ID number or the last four digits of your Social Security Number. If you do not have either of these numbers enter in Section 6: "I do not have a Social Security Number or California-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6

to describe the location of your voting residence.

Section 3	Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.
Section 5	A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot. B. Voters who do not provide a political party affiliation can vote for the office of U.S. President in a presidential primary election if the political party allows it. Political party affiliation is not required if requesting an absentee ballot for other primary elections or general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

If you are using the FPCA to **register to vote**, you **must mail** or **fax** the form. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

If you are already registered and are using the FPCA to **request** an absentee ballot, you can **mail, email** or **fax** your signed form to your election official. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail** or **fax***.

Contact information can be found in the "Local Election Offices" section. If you do not have access to a fax machine to fax your election official directly, you may use the DoD Fax Service to fax your ballot. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the

general election ballot. Additional information about this label can be found in the "Important Information" section.

***Fax only if you are overseas or activated within 6 days of the election.**

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

Complete the following sections of the FWAB's voter information page

Vote your FWAB

To vote, write in the candidate's name for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail** or **fax***. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

***Fax only if you are overseas or activated within 6 days of the election.**

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Fax your FWAB: (fax only if you are overseas or activated within 6 days of the election). Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. You may use the DoD Fax Service to fax your FWAB toll-free if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.

Colorado

I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent, legal guardian, spouse or civil union partner who was last domiciled in Colorado, is eligible to vote in Colorado.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: http://www.govotecolorado.com
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/colorado

How and where to submit your FWAB

You can submit the FWAB by **mail, email, online** or **fax**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://fvap.gov).

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at [FVAP.gov](https://fvap.gov).

Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at [FVAP.gov](https://fvap.gov), into your computer. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. Email this ballot package directly to your election official.

Upload your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at [FVAP.gov](https://fvap.gov), into your computer. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. Use Colorado's secure document transfer system to return your FWAB electronically. Go to <https://ballotreturn.sos.colorado.gov> and follow the instructions to securely upload your FWAB for delivery to your county clerk and recorder.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at [FVAP.gov](https://fvap.gov), directly to your election official. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. You may use the DoD Fax Service to fax your FWAB toll-free if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at [FVAP.gov](https://fvap.gov).

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this state?	A U.S. citizen who has never resided in the U.S. and has a parent or legal guardian who was last domiciled in Connecticut is eligible to vote as a "federal voter" and may vote for federal offices only.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	No.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: www.dir.ct.gov/sots/LookUp.aspx

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.

Section 5 A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.

B. To vote in primary elections, you

must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

In addition to mailing a regular ballot, Connecticut provides a State Special Blank Write-In Absentee Ballot up to 90 days before the election to Uniformed Service members and their eligible family members unable to vote in the regular absentee voting process due to military contingencies. This ballot allows you to vote for local, state and federal offices. To request it, write in Section 6: "Due to military contingencies, I am unable to follow the regular absentee ballot application process. I request a special write-in absentee ballot."

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You **must mail** your signed FPCA to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

The state absentee ballot **must be mailed** to your

election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

You can use the FWAB to vote in federal elections.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). Please provide a previous name, if applicable.

Your date of birth is required.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.

Section 5 A. Do not check "Yes" or "No." The FWAB cannot be used for voter registration or as a ballot request.

B. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of

receiving your absentee ballot.

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail

Delaware

	Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I register to vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent or legal guardian who was last domiciled in Delaware, is eligible to vote as a "federal voter" and may vote for federal offices only.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://ivote.de.gov/voterlogin.aspx
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/delaware

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide either a Delaware-issued ID number or the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Delaware-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post

office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3	Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.
Section 5	A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot. B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail, email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail, email** or **fax**.

Contact information can be found in the "Local Election Offices" section. If you do not have access to a fax machine to fax your election official directly, you may use the DoD Fax Service to fax your ballot. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

If you are a **U.S. citizen residing outside the United States and your return is not certain**, you can use the FWAB to vote in all elections for federal office.

All other UOCAVA voters can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

How and where to submit your FWAB

You can submit the FWAB by **mail**, **email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet,

into your computer. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. Email this ballot package directly to your election official.

Fax the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. You may use the DoD Fax Service to fax your FWAB toll-free if you do not have access to a fax machine to fax your election official directly. See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail

Georgia

	Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
What is a runoff election?	A runoff election is an election held if the state requires that a candidate receive a certain percentage of the votes in order to advance to a general election or take public office.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent or legal guardian who was last registered in Georgia, is eligible to vote in Georgia.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	No.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: http://www.mvp.sos.ga.gov/MVP/mvp.do
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/georgia

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) temporarily registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

-
- Section 1 Select the category that best describes you.
- Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.
- Your date of birth is required.
- You must provide your Georgia driver's license number **or** Georgia-issued ID number. If you do not have either of these numbers, provide the last four digits of your Social Security Number. If you do not have a Georgia driver's license number, a Georgia-issued ID number, or a Social Security Number, you must enter in Section 6: "I do not have a

Georgia driver's license, Georgia-issued ID number, or Social Security Number."

-
- Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.
-
- Section 3 Enter your current mailing address, even if you are requesting your ballot by email/online. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
-
- Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online, you must provide your email address.
-
- Section 5 A. You can receive your absentee ballot by mail or email/online. Select your preferred method of receiving your absentee ballot.
- B. To vote in primary elections, you

must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines provided in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the

general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the

deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your territory in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have

Indiana

access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. **This service is fax only.** If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.

What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label. It provides free express mail service to your election official for voted absentee ballots mailed on or before the November general election. You can request to have a Prepaid Mail Label 11-DoD applied to your ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	No.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: http://www.indianavoters.com
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/indiana

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide either an Indiana-issued ID number or the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "None."
-----------	--

Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address as a residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.
Section 5	A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot. B. To vote in primary elections, you

must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail**, **email** or **fax**.

Contact information can be found in the "Local Election Offices" section. If you do not have access to

a fax machine to fax your election official directly, you may use the DoD Fax Service to fax your ballot. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

If you are a **U.S. citizen residing outside the United States and your return is not certain**, you can use the FWAB to vote in all elections for federal office.

All other UOCAVA voters can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

Complete the following sections of the FWAB's voter information page

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide either an Indiana-issued ID number or the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "None."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address as a residence address. If your address is a rural route, use Section 6 to describe the location of your voting residence.
Section 3	Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide

Indiana

this information.

Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.
Section 5	<p>A. Do not check "Yes" or "No." The FWAB cannot be used for voter registration or as a ballot request.</p> <p>B. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.</p> <p>C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.</p>
Section 6	Provide any information that may assist the election official in accepting this form.
Section 7	Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail**, **email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official

Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, into your computer. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. Email this ballot package directly to your election official.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. You may use the DoD Fax Service to fax your FWAB toll-free if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail

	Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent or legal guardian who was last domiciled in Iowa, is eligible to vote in Iowa.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: sos.iowa.gov/elections/absenteeballotstatus/search.aspx
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/iowa

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1	<p>Select the category that best describes you.</p> <p>Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.</p> <p>Your date of birth is required.</p> <p>You must provide either an Iowa-issued ID number or the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Iowa-issued ID number."</p>
Section 2	<p>Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6</p>

	to describe the location of your voting residence.
Section 3	<p>Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.</p>
Section 4	<p>Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.</p>
Section 5	<p>A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.</p> <p>B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.</p>
Section 6	<p>Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.</p>
Section 7	<p>Sign and date the form. No witness signature required.</p>

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is 'temporary registration'?	The FPCA will only temporarily register you to vote. This means that you will be registered and can vote in the elections in which the FPCA allows you to do so.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office

Kansas

	locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent or legal guardian who was last domiciled in Kansas, is eligible to vote in Kansas.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	No.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: myvoteinfo.voteks.org/
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/kansas

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) temporarily registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide either a Kansas-issued ID number or the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Kansas-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3	Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.
Section 5	A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot. B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://fvap.gov).

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.

Kentucky

What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required.
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is

recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.

Section 5	A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot. B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail, email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission

Cover Sheet. Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

Complete the following sections of the FWAB's voter information page

- Section 1 Select the category that best describes you.
- Enter your current name (Last, First). If you are registered under a different

name, provide this information in the previous name area.

Your date of birth is required.

-
- Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

-
- Section 3 Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

-

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election

Kentucky

Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.

Louisiana

What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
What is a runoff election?	A runoff election is an election held if the state requires that a candidate receive a certain percentage of the votes in order to advance to a general election or take public office.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	No.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://voterportal.sos.la.gov/
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/louisiana

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide **either** a Louisiana-issued ID number **or** the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Louisiana-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your

address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.

Section 5 A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.

B. To vote in the Presidential Preference Primary, you must enter the name of the party ballot you want to receive. Otherwise, all voters may vote in all primary and general elections without regard to the voter's party affiliation or lack of it.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail, email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail** or **fax**.

Contact information can be found in the "Local Election Offices" section. If you do not have access to a fax machine to fax your election official directly, you may use the DoD Fax Service to fax your ballot. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

You can use the FWAB to vote in federal elections.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide **either** a Louisiana-issued ID number **or** the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Louisiana-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.

Section 5 A. Do not check "Yes" or "No." The FWAB cannot be used for voter registration or as a ballot request.
B. You can receive your absentee

Louisiana

ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.

C. To vote in the Presidential Preference Primary, you must enter the name of the party ballot you want to receive. Otherwise, all voters may vote in all primary and general elections without regard to the voter's party affiliation or lack of it.

Section 6 Provide any information that may assist the election official in accepting this form.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. You may use the DoD Fax Service to fax your FWAB toll-free if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the

deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

Vote your FWAB

Michigan

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

- Section 1 Select the category that best describes you.
- Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

- You must provide **either** a Minnesota-issued ID number **or** the last four digits of your Social Security Number. If you do not have access to any of these numbers, leave this section blank.
- Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.
- Section 3 Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to

provide this information.

- Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.
- Section 5 A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot. If you do not make a selection, your ballot will be mailed to you.

- Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail, email or fax**. Contact information can be found in the "Local Election Offices" section or online at [FVAP.gov](https://www.fvap.gov).

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be postmarked and returned according to the deadlines provided in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You can use the Federal Write-In Absentee Ballot (FWAB) to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

U.S. citizens residing outside the United States whose return is not certain and U.S. citizens who have never resided in the United States can use the FWAB to vote in all elections for federal office.

All other UOCAVA voters can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

Vote your FWAB

To vote for a federal office, write in either a candidate's name or political party for each office. To vote for a state or local office, write in a candidate's name. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail

Mississippi

Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.

What is a primary election? A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.

What is a runoff election? A runoff election is an election held if the state requires that a candidate receive a certain percentage of the votes in order to advance to a general election or take public office.

I am an American citizen, but I have never lived in the U.S., can I vote in this state? No.

I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges? Yes.

How can I check the status of my ballot? You can check the status of your absentee ballot by contacting your election official. Contact information can be found in the "Local Election Offices" section.

Does my state have any online tools? You can see if your state has any online tools available here: <https://www.fvap.gov/mississippi>

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide **either** a Mississippi-issued ID number **or** the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Mississippi-issued ID number."

Section 2 Enter the complete street address of

your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.

Section 5 A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general

elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Contact information can be found in the "Local Election Offices" section. If you do not have access to a fax machine to fax your election official directly, you may use the DoD Fax Service to fax your ballot. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the

general election ballot. Additional information about this label can be found in the "Important Information" section.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. You may use the DoD Fax Service to fax your FWAB toll-free if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

- | | |
|-----------|---|
| Section 1 | Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

| Section 2 | Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your |

address is a rural route, use Section 6 to describe the location of your voting residence.

|-----------|--|
| Section 3 | Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information. |
| Section 4 | Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number. |

| Section 6 | Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots. |
| Section 7 | Sign and date the form. No witness |

signature required.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail, email** or **fax (email or fax only if you are located in a hostile fire area)**.

Contact information can be found in the "Local Election Offices" section. If you do not have access to a fax machine to fax your election official directly, you may use the DoD Fax Service to fax your ballot. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

Complete the following sections of the FWAB's voter information page

- | | |
|-----------|---|
| Section 1 | Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide either a Missouri-issued ID number or the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Missouri-issued ID number." |
| Section 2 | Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence. |
| Section 3 | Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information. |
| Section 4 | Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB. |
| Section 5 | A. Check "Yes" if you would like to register to vote and/or request an |

Missouri

absentee ballot, otherwise check "No."

B. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail, email or fax** (*email or fax only if you are located in a hostile fire area*).

Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Email your FWAB: (*only if you are located in a hostile fire area*). Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, into your computer. Be sure to also sign the secrecy

waiver on the Transmission Cover Sheet. Email this ballot package directly to your election official.

Fax your FWAB: (*only if you are located in a hostile fire area*). Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. You may use the DoD Fax Service to fax your FWAB toll-free if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office

Montana

	locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent that was last registered in Montana, is eligible to vote in Montana as long as he or she has not registered or voted in another State.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: app.mt.gov/voterinfo/
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/montana

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, into your computer. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. Email this ballot package directly to your election official.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail

Nebraska

Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.

What is a primary election? A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.

I am an American citizen, but I have never lived in the U.S., can I register to vote in this state? A U.S. citizen who has never resided in the U.S., and has a parent currently registered in Nebraska, is eligible to vote in Nebraska as long as he or she has not registered or voted in another state.

I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges? No.

How can I check the status of my ballot? You can check the status of your absentee ballot here: www.votercheck.necvr.ne.gov/VoterView/AbsenteeBallotSearch.do

Does my state have any online tools? You can see if your state has any online tools available here: <https://www.fvap.gov/nebraska>

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide **either** a Nebraska-issued ID number **or** the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Nebraska-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post

office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.

Section 5 A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail, email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail, email** or **fax** (*email or fax requires prior approval, contact your local election office*).

Contact information can be found in the "Local Election Offices" section. If you do not have access to a fax machine to fax your election official directly, you may use the DoD Fax Service to fax your ballot. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide **either** a Nebraska-issued ID number **or** the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Nebraska-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.

Section 5 A. Check "Yes" if you would like to register to vote and/or request an

Nebraska

absentee ballot, otherwise check "No."

B. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail, email or fax** (*email or fax requires prior approval, contact your local election office*).

Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Email your FWAB: (*email requires prior approval, contact your local election office*). Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, into your computer. Be sure to also sign

the secrecy waiver on the Transmission Cover Sheet. Email this ballot package directly to your election official.

Fax your FWAB: (*fax requires prior approval, contact your local election office*). Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. You may use the DoD Fax Service to fax your FWAB toll-free if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

New Hampshire

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.

New Jersey

What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	Yes.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://voter.njsvrs.com/PublicAccess/servlet/com.saber.publicaccess.control.PublicAccessNavigationServlet?USERPROCESS=PublicSearch
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/new-jersey

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

-
- Section 1 Select the category that best describes you.
- Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.
- Your date of birth is required.
- You must provide **either** a New Jersey-issued ID number **or** the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or New Jersey-issued ID number."
-
- Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting

residence.

-
- Section 3 Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
-
- Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.
-
- Section 5 A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.
- B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
-
- Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
-
- Section 7 Sign and date the form. No witness signature required.
-

How and where to submit your FPCA

You can submit the FPCA by **mail, email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the ballot by **mail, email** or **fax**. If you send it by email or fax you **must** also immediately mail your ballot to the Board of Election.

Contact information can be found in the "Local Election Offices" section. If you do not have access to a fax machine to fax your election official directly, you may use the DoD Fax Service to fax your ballot. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already

requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

U.S. citizens residing outside the United States whose return is not certain, can use the FWAB to vote in all elections for federal office.

All other UOCAVA voters can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

Complete the following sections of the FWAB's voter information page

-
- Section 1 Select the category that describes you.
- Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.
- Your date of birth is required.

- B. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of

New Jersey

receiving your absentee ballot.

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB can be submitted by **mail**, **email** or **fax**. If you send it by email or fax you **must** also immediately mail your FWAB to the Board of Election.

Contact information can be found in the "Local Election Offices" section.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Email your FWAB: (The FWAB must also be mailed).

Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, into your computer. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. Email this ballot package directly to your election official.

Fax your FWAB: (The FWAB must also be mailed).

Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter

Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. You may use the DoD Fax Service to fax your FWAB toll-free if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

If you are a **Uniformed Service member (or eligible family member)**, you can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

If you are an **overseas citizen**, you can use the FWAB to vote in all elections for federal office.

Complete the following sections of the FWAB's voter information page

-
- Section 1 Select the category that best describes you.
- Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.
- Your date of birth is required.
- You must provide **either** the number of your New York DMV-issued ID **or** the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or New York DMV-issued ID number."
-
- Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.
-
- Section 3 Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
-
- Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.
-
- Section 5 A. Check "Yes" if you would like to **request** an absentee ballot for future elections, otherwise check "No."
- B. You can receive your absentee

New York

ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is temporary registration?	The FPCA will only temporarily register you to vote. This means that you will be registered and can vote in the elections in which the FPCA allows you to do so.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax

North Carolina

Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.

What is a primary election?

A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.

What is a runoff election?

A runoff election is an election held if the state requires that a candidate receive a certain percentage of the votes in order to advance to a general election or take public office.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) temporarily registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1 Select the category that describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide **either** a North Carolina-issued ID number **or** the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in

Section 6: "I do not have a Social Security Number or North Carolina-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.

- Section 5 A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.
- B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail, email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail, email** or **fax**.

Contact information can be found in the "Local Election Offices" section. If you do not have access to a fax machine to fax your election official directly, you may use the DoD Fax Service to fax your ballot. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal, state and local elections, including ballot measures.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

How and where to submit your FWAB

You can submit the FWAB by **mail**, **email** or **fax**. Contact information can be found in the "Local Election Offices" section. or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found

in the "Important Information" section or online at FVAP.gov.

Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, into your computer. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. Email this ballot package directly to your election official.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. You may use the DoD Fax Service to fax your FWAB toll-free if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office

Oklahoma

	locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
What is a runoff election?	A runoff election is an election held if the state requires that a candidate receive a certain percentage of the votes in order to advance to a general election or take public office.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., and has a parent or legal guardian who was last domiciled in Oklahoma, is eligible to vote in Oklahoma using the parent's or guardian's last address in Oklahoma.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: https://services.okelections.us/voterSearch.aspx
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/oklahoma

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide **either** an Oklahoma-issued ID number **or** the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Oklahoma-issued ID number." To receive your absentee ballot by email/online, you **must** provide the last four digits of your Social Security Number.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online, you must provide your email address.

Section 5 A. You can receive your absentee ballot by mail or email/online. Select your preferred method of receiving your absentee ballot.

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

If your political party affiliation is listed as Independent/No Party in Section 5, you may be able to request a ballot for a recognized political party's primary election. For specific information about recognized political parties in Oklahoma, please visit <http://www.elections.ok.gov>.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail, email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail** or **fax**.

Contact information can be found in the "Local Election Offices" section. If you do not have access to a fax machine to fax your election official directly, you may use the DoD Fax Service to fax your ballot. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in all elections for federal and state offices.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide **either** an Oklahoma-issued ID number **or** the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Oklahoma-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address. If you want your election materials sent to a different address or have a

Oklahoma

forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.

Section 5 A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No."
B. You can receive your absentee ballot by mail or email/online. Select your preferred method of receiving your absentee ballot.
C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

If your political party affiliation is listed as Independent/No Party in Section 5, you may be able to request a ballot for a recognized political party's primary election. For specific information about recognized political parties in Oklahoma, please visit <http://www.elections.ok.gov>.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope

and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. You may use the DoD Fax Service to fax your FWAB toll-free if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts

Oregon

	your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	A U.S. citizen who has never resided in the U.S., is eligible to vote if they intend to reside in Oregon and have a parent, legal guardian or spouse who is a military or overseas voter under Oregon law, and that parent, legal guardian, or spouse last resided in Oregon.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	Yes.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: http://www.oregonvotes.gov/myballot
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/oregon

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide a Oregon-issued ID number. If you do not have a Oregon-issued ID number, provide the last four digits of your Social Security Number. If you do not have either of these numbers, you must enter in Section 6: "I do not have a

Oregon-issued ID or Social Security Number".

-
- Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.
-
- Section 3 Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
-
- Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.
-
- Section 5 A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.

B. To vote in a primary election for a major party, you must enter the name of the party ballot you want to receive. If you do not indicate a political party, you will receive a nonpartisan ballot. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. Email this ballot package directly to your election official.

Fax your FWAB: (Additional forms are required if you are voting on local offices or ballot measures and you are submitting your ballot by fax. Forms can be found at www.oregonvotes.gov/myballot.) Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.

Pennsylvania

I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges? Yes.

How can I check the status of my ballot? You can check the status of your absentee ballot here: <https://www.pavoterservices.pa.gov/>

Does my state have any online tools? You can see if your state has any online tools available here: <https://www.fvap.gov/pennsylvania>

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide **either** a Pennsylvania-issued ID number **or** the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Pennsylvania-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email/online. If you want your

election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online, you must provide your email address.

Section 5 A. You can receive your absentee ballot by mail or email/online. Select your preferred method of receiving your absentee ballot.
B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for special or general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail, email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign

and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

If you are a **Uniformed Service member or eligible family member**, you can use the Federal Write-In Absentee Ballot (FWAB) to register to vote and vote in all elections for federal, state and local offices, including ballot measures. If you are using the FWAB to register to vote, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

If you are an **overseas citizen** and have already requested an absentee ballot, you may use the FWAB to vote in all elections for federal, state and local offices, including ballot measures. If not, you can only use the FWAB to vote in elections for federal office.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide **either** a Pennsylvania-issued ID number **or** the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Pennsylvania-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.

Section 5

A. Check "Yes" if you would like to register to vote and/or request an absentee ballot, otherwise check "No" (Uniformed Service members only).

B. You can receive your absentee ballot by mail or email/online. Select your preferred method of receiving your absentee ballot.

C. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for special or general elections.

Pennsylvania

Section 6 Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to

South Carolina

send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. **This service is fax only.** If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.

What is the Prepaid Mail Label 11- DoD?

Overseas Uniformed Service members can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.

What is a primary election?

A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.

What is a runoff election?

A runoff election is an election held if the state requires that a candidate receive a certain percentage of the votes in order to advance to a general election or take public office.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide your Social Security Number.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.

Section 5 A. You can receive your absentee

ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.

B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

You must provide your race.

You must provide your previous location of registration, if in another state.

Section 7 Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail, email, online** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Upload your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Use South Carolina's Electronic Voter Accessibility Tool to return your FPCA electronically. Go to <https://www.scvotes.org/military-overseas-citizens> and follow the instructions to securely upload your FPCA.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail, email** or **fax**.

Contact information can be found in the "Local Election Offices" section. If you do not have access to a fax machine to fax your election official directly, you may use the DoD Fax Service to fax your ballot. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

The Federal Write-In Absentee Ballot (FWAB) can be used to register to vote. If you are using the FWAB to register, it **must** be received by the registration deadline listed in the "Federal Election Deadlines" chart.

You can use the FWAB to vote in federal elections.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide either a South Dakota driver's license number or the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or a South Dakota driver's license number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3	Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online, you must provide your email address.
Section 5	A. You can receive your absentee ballot by mail or email/online. Select your preferred method of receiving your absentee ballot. B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

If you are using the FPCA to **register to vote**, you **must mail** the form.

If you are already registered and are using the FPCA to **request** an absentee ballot, you can **mail, email** or **fax** your signed form to your election official. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You **must** be registered to vote and have already requested a state absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

You can use the FWAB to vote in federal elections.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.

Section 5 A. Do not check "Yes" or "No." The FWAB cannot be used for voter registration or as a ballot request.

B. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.

C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.

Section 6 Provide any information that may assist the local election official in accepting this form.

Section 7 Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to

South Dakota

make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. Addresses can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is 'temporary registration'?	The FPCA will only temporarily register you to vote. This means that you will be registered and can vote in all elections for the calendar year in which the FPCA is submitted.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) temporarily registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide your Social Security Number.
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.
Section 3	Enter your current mailing address, even if you are requesting your ballot by email/online. If you want your

election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online you must provide your email address.
Section 5	A. You can receive your absentee ballot by mail or email/online. Select your preferred method of receiving your absentee ballot. B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

You can submit the FPCA by **mail**, **email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted. You can also track the status of your FPCA here: <https://tnmap.tn.gov/voterlookup/>.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

You can use the FWAB to vote in federal, state and

local elections, including ballot measures.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is 'temporary registration'?	The FPCA will temporarily register you to vote. This means that you will be registered and can vote in the elections in which the FPCA allows you to do so. Military voters, and overseas voters with intent to return, are permanently registered 30 days after submission.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. If you do not receive your absentee ballot from your state in time to return it to your election official to participate in the election, use the FWAB.
What is the DoD Fax Service?	The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the Transmission Cover Sheet found in Chapter 1 or online at FVAP.gov and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax, but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. This service is fax only. If your state accepts your election materials by email you should email them directly to your election official. FVAP will not transmit email-to-email transactions.
What is the Prepaid Mail Label 11- DoD?	<i>Overseas Uniformed Service members</i> can use this label for general election absentee ballots. It provides free express mail service to your election official

Texas

	for general election absentee ballots. You can request to have a Prepaid Mail Label 11-DoD applied to your absentee ballot at Military Postal Office locations (APO/FPO). Keep part of the tracking label to track your absentee ballot through the U.S. Postal Service.
What is a primary election?	A primary election is an election held before the general election to determine the candidates that can be placed on the general election ballot.
What is a runoff election?	A runoff election is an election held if the state requires that a candidate receive a certain percentage of the votes in order to advance to a general election or take public office.
I am an American citizen, but I have never lived in the U.S., can I vote in this state?	No.
I am a National Guardsman activated on state orders; does my state afford me UOCAVA privileges?	No.
How can I check the status of my ballot?	You can check the status of your absentee ballot here: http://votetexas.gov/
Does my state have any online tools?	You can see if your state has any online tools available here: https://www.fvap.gov/texas

Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) temporarily registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide either a Texas-issued ID number or the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Texas-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are

registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3	Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online you must provide your email address.
Section 5	A. You can receive your voting materials by mail or email/online. Select your preferred method of receiving your voting materials. B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.

- Section 6 Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots
-
- Section 7 Sign and date the form. No witness signature required.
-

How and where to submit your FPCA

You can submit the FPCA by **mail, email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

IMPORTANT NOTE: Under new state law effective December 1, 2017, a timely faxed FPCA must be followed with a hardcopy mailed FPCA that must be received by the early voting clerk by the fourth business day after the fax. This rule does not apply to an emailed FPCA. Texas strongly recommends using email transmission instead of faxing if you wish to use the fastest delivery method for your FPCA.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Voting your ballot

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

You can submit the state absentee ballot by **mail** or

fax*

Contact information can be found in the "Local Election Offices" section. If you do not have access to a fax machine to fax your election official directly, you may use the DoD Fax Service to fax your ballot. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

***Fax only if you are located in a hostile fire area.**

Haven't received your ballot? Use the Federal Write-In Absentee Ballot

All voters **must** be registered and have already requested an absentee ballot in order to use the Federal Write-In Absentee Ballot (FWAB).

If you are a U.S. citizen residing outside the United States whose return is not certain, you can use the FWAB to vote in all elections for federal office.

All other UOCAVA voters can use the FWAB to vote in all elections for federal, state and local offices, including ballot measures.

Complete the following sections of the FWAB's voter information page

Section 1 Select the category that best describes you.

Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area.

Your date of birth is required.

You must provide **either** a Texas-issued ID number **or** the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Texas-issued ID number."

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6

Texas

	to describe the location of your voting residence.
Section 3	Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FWAB.
Section 5	<p>A. Do not check "Yes" or "No." The FWAB cannot be used for voter registration or as a ballot request.</p> <p>B. You can receive your voting materials by mail or email/online. Select your preferred method of receiving your voting materials.</p> <p>C. To vote in primary elections, you must enter the name of the party primary in which you are voting. Political party affiliation is not required if voting an absentee ballot in general elections.</p>
Section 6	Provide any information that may assist the election official in accepting this form.
Section 7	Sign and date the form. No witness signature required.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail** or **fax (fax only if you are located in a hostile fire area)**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label

11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Fax your FWAB: (only if you are located in a hostile fire area). Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. You may use the DoD Fax Service to fax your FWAB toll-free if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Vote your FWAB

To vote, write in either a candidate's name or

West Virginia

political party for each office. You are not required to make a selection for each and every contest.

How and where to submit your FWAB

You can submit the FWAB by **mail**, **email** or **fax**. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

Email your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Scan the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, into your computer. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. Email this ballot package directly to your election official.

Fax your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fax the signed "Voter Information" page, the "Official Backup Ballot" and the Transmission Cover Sheet, found at the end Chapter 1 or online at FVAP.gov, directly to your election official. Be sure to also sign the secrecy waiver on the Transmission Cover Sheet. You may use the DoD Fax Service to fax your FWAB toll-free if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Your date of birth is required.

Section 2 Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6 to describe the location of your voting residence.

Section 3 Enter your current mailing address. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.

Section 4 Your contact information is recommended so your election official can contact you if they need additional

information from you in order to accept your FWAB.

Section 5 A. Check "Yes" if you would like to request a ballot, otherwise check "No". You cannot use this form to register to vote.

B. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot.

C. Political party is not required.

Section 6 If you are a **Uniformed Service member or eligible family member**, you can submit your FWAB without extra documentation. You can use the FWAB to vote for federal, state, and local offices, including ballot measures.

If you are a **U.S. citizen residing outside the United States and your return is not certain**, you can submit your FWAB without extra documentation. You can use FWAB to vote for federal offices.

If you are a **U.S. citizen residing outside the United States and you intend to return**, you must enclose a proof of residence document that lists your current name and voting address along with this application to register to vote. To use the FWAB, you must enclose a copy of proof of identification (such as a Wisconsin driver's license or a passport) along with this application. Visit <https://bringit.wi.gov/> for additional forms of photo ID that are acceptable for voting. You can use the FWAB to vote for federal, state, and local offices, including ballot measures.

Provide any information that may assist the election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.

This form must have a witness signature.

Section 7 Sign and date the form.

Vote your FWAB

To vote, write in either a candidate's name or political party for each office. You are not required to

make a selection for each and every contest.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Fold along the dotted line and seal the completed "Official Backup Ballot", do not write on the "Official Ballot" envelope. Insert the sealed "Official Ballot" envelope and the "Voter Information" page into the mailing envelope and mail your FWAB directly to your election official.

Your FWAB should be returned directly to your local election official. If you do not know your local election official's mailing address or contact information, please visit <https://MyVote.wi.gov/mymunicipalclerk>. You can also contact the Wisconsin Elections Commission (WEC) by email: elections@wi.gov, by phone: (866) 868-3947, or by fax: (608) 267-0500.

If you do not have access to the internet or you cannot call the WEC, you may mail your ballot to the WEC:

Wisconsin Elections Commission
212 East Washington Ave, Third Floor
P.O. Box 7984
Madison, WI 53707-7984

Your FWAB will be forwarded to your local election official by the WEC. Please provide for additional mailing time if you send your FWAB to the WEC. Your FWAB must be received by your local election official by the ballot receipt deadline even if it is received by the WEC before this deadline.

Overseas Uniformed Service members can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section or online at FVAP.gov.

See the "Federal Election Deadlines" chart for the deadline for submitting the FWAB. If you receive the state absentee ballot after transmitting your voted FWAB, you may also vote and return the state absentee ballot. If both are received by the deadline, only the state absentee ballot will be counted.

Important information

What is UOCAVA?	The <i>Uniformed and Overseas Citizens Absentee Voting Act</i> is commonly referred to as <i>UOCAVA</i> . <i>UOCAVA</i> citizens are U.S. citizens who are active members of the Uniformed Services, the Merchant Marine, the commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration, their eligible family members and other U.S. citizens residing outside the United States. The law provides the legal basis for absentee voting requirements for federal offices.
What is the Federal Post Card Application (FPCA)?	The FPCA (Federal Standard Form 76) allows <i>UOCAVA</i> citizens to register to vote and request an absentee ballot. This form is also used to update your contact information.
What is 'temporary registration'?	The FPCA will only temporarily register you to vote. This means that you will be registered and can vote in the elections in which the FPCA allows you to do so.
What is the Federal Write-In Absentee Ballot (FWAB)?	The FWAB (Federal Standard Form 186) serves as an emergency backup ballot for <i>UOCAVA</i> citizens. Registering and requesting your absentee ballot

Under federal law, the Federal Post Card Application (FPCA) temporarily registers you to vote and requests absentee ballots for a minimum of all federal elections in the current calendar year. Be sure to complete a new FPCA each year and every time your address changes.

Complete the following sections of the FPCA

Section 1	Select the category that best describes you. Enter your current name (Last, First). If you are registered under a different name, provide this information in the previous name area. Your date of birth is required. You must provide either a Wyoming-issued ID number or the last four digits of your Social Security Number. If you do not have either of these numbers you must enter in Section 6: "I do not have a Social Security Number or Wyoming-issued ID number."
Section 2	Enter the complete street address of your voting residence where you are registering to vote and requesting an absentee ballot. You cannot use a post office box mailing address. If your address is a rural route, use Section 6

to describe the location of your voting residence.

Section 3	Enter your current mailing address, even if you are requesting your ballot by email/online or fax. If you want your election materials sent to a different address or have a forwarding address, use the forwarding address space to provide this information.
Section 4	Your contact information is recommended so your election official can contact you if they need additional information from you in order to accept your FPCA. If you want to receive your absentee ballot by email/online or fax, you must provide your email address or fax number.
Section 5	A. You can receive your absentee ballot by mail, email/online or fax. Select your preferred method of receiving your absentee ballot. B. To vote in primary elections, you must enter the name of the party ballot you want to receive. Political party affiliation is not required if requesting an absentee ballot for general elections.
Section 6	Provide any information that may assist your election official in accepting this form. You can use this space to designate particular elections or the period you wish to receive ballots.
Section 7	Sign and date the form. No witness signature required.

How and where to submit your FPCA

Since the FPCA serves as temporary registration, you must **mail** in the FPCA.

If you are currently registered to vote through using the Wyoming voter registration form, you may **email** or **fax** the FPCA to request an absentee ballot. If you are unsure if you are still a registered voter in Wyoming, please contact your County Clerk. Contact information can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FPCA: Once your FPCA is complete, sign and date the form. Mail your FPCA directly to your election official.

Email your FPCA: Once your FPCA is complete, sign and date the form. Scan the signed FPCA into your computer. Be sure to also include the "Transmission Cover Sheet". Email this package directly to your election official.

Fax your FPCA: Once your FPCA is complete, sign and date the form. Fax your FPCA directly to your election official. Be sure to also include the "Transmission Cover Sheet". You may use the DoD Fax Service to fax your FPCA if you do not have access to a fax machine to fax your election official directly. Instructions for the DoD Fax Service are in the "Important Information" section or online at FVAP.gov.

To find out the status of your FPCA, contact your election official. Your election official will contact you if your FPCA is not accepted.

Once you receive your absentee ballot from your state it must be returned according to the deadlines and requirements in the "Federal Election Deadlines" chart. For special federal elections, visit FVAP.gov for specific deadlines.

The state absentee ballot **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section. *Overseas Uniformed Service members* can request to have the Prepaid Mail Label 11-DoD applied to the general election ballot. Additional information about this label can be found in the "Important Information" section.

You can use the FWAB to vote in federal elections.

How and where to submit your FWAB

The FWAB **must be mailed** to your election official. The address of your election official can be found in the "Local Election Offices" section or online at FVAP.gov.

Mail your FWAB: Once your FWAB is complete, sign and date the "Voter Information" page. Chapter 3

Guide for Voting Assistance Officers

Your responsibilities

As a Voting Assistance Officer (VAO), you are part of a worldwide network of military members, U.S. government employees, and volunteers who aid in ensuring that citizens covered under the *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* understand their voting rights and know how to vote absentee.

These citizens include:

- An active duty member of the Uniformed Services, Merchant Marine, or commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration
- An eligible spouse or family member of an active duty member of the Uniformed Services, Merchant Marine, or commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration
- U.S. citizens residing outside the U.S.

Keep current

Become familiar with the absentee voting process, the forms, [FVAP.gov](https://www.fvap.gov), your organization and your Service's voting website.

- Sign up to receive news releases from FVAP. Subscribe online at [FVAP.gov](https://www.fvap.gov) or email vote@fvap.gov and provide your email address.
- Workshops are offered at military installations and U.S. embassies and consulates worldwide. You can find information about these trainings by emailing vote@fvap.gov or your [Service Voting Action Officer](#) (SVAO).
- Take the online training for Voting Assistance Officers available at [FVAP.gov](https://www.fvap.gov).

Provide assistance

VAOs provide voters with accurate and nonpartisan voting information and assistance.

- Help voters fill out the Federal Post Card Application (FPCA) according to their state's specific requirements.
- Display voting information at unit or installation family events, and leverage readiness programs or spouse clubs.
- Refer local residents and eligible Americans on an OCONUS installation to the Installation Voter Assistance (IVA) Office for local registration assistance.

Promote voter awareness

- Post notices and/or posters on bulletin boards and social media to increase awareness of how to register and vote. When

A Uniformed Service member who is living within their voting jurisdiction and can vote locally is not covered under UOCAVA.

Online training modules for VAOs and Installation Voter Assistance (IVA) Office staff are also available online at [FVAP.gov](https://www.fvap.gov).

Contact info for IVA Offices can be found online at [FVAP.gov](https://www.fvap.gov). Local residents may include civilians, contractors, or service members living within their voting jurisdiction.

Chapter 3

posting, make sure to include your contact information or the contact information for the IVA Office. Popular locations include installation housing, gyms, exchanges, and commissaries.

- Provide voting information at Commanders Calls and other group formations.
- Use Armed Forces Voters Week, Overseas Citizens Voters Week, and Absentee Voting Week to get the word out.
- During Absentee Voting Week, announce through various media that voters should return their voted ballots immediately. If they have not received their requested state absentee ballot, encourage them to use the Federal Write-In Absentee Ballot (FWAB).

Keep voting supplies available

- Keep an adequate supply of FPCAs for all unit members and their voting-age family members. As a VAO, you are required to provide FPCAs to all unit members and their families by January 15 of each year and all potential voters by July 15. Additionally, ensure you have enough forms for year-round registration, absentee ballot requests, and change-of-address requests for those deploying, returning from deployments, moving, or PCSing.
- Keep an adequate supply of FWABs on hand year-round for citizens to use in case they do not receive their state absentee ballot.
- To request outreach materials, such as posters, wallet cards, and brochures, contact your SVAO or email vote@fvap.gov.

VAOs with access to a computer, internet and printer can use online versions of these forms. Deploying units should take sufficient paper copies in the event of internet connectivity issues.

Manage your program

- Create or maintain your Continuity Folder.
- List your contact information in your installation directory for referrals.
- Ensure the timely submission of metrics in the FVAP portal.
- Installation-level VAOs should work with your Installation Commander to assign an Assistant Voting Assistance Officer to help with your duties as a VAO.
- If you serve in an Installation Voter Assistance Office, a handbook for office staff is available in the VAO section online at FVAP.gov.

Examples include:

- Develop relationships with the installation Public Affairs office to display voting messages on installation marquees and place FVAP news releases in the installation's paper.
- Include your contact information on the bottom of posters so service members know who to contact.

Share your good ideas

After each federal election, the Services and Department of State issue After Action Reports that include good ideas submitted by VAOs to improve the absentee voting process. Good ideas enhance lines of communication among VAOs at all levels and enable you to improve your voting assistance efforts.

Your good ideas may come from:

- Personal experiences
- Assessments, audits, and appraisals
- Training evaluations
- Operational Readiness Reviews
- Voting activities, such as registration drives

Chapter 3

Have a good idea?

- Send it to your Service Voting Action Officer (SVAO).
- Overseas citizen organizations may submit their ideas directly to FVAP at vote@fvap.gov.
- Be sure to include a clear statement of your idea and your complete contact information.

Determining voting residency

To vote in U.S. elections, citizens must have a legal voting residence address in a state or territory. The issue of voting residence depends on individual circumstances.

For Uniformed Service members and their eligible family members: For voting purposes, legal voting residence can be in the state or territory where the individual last resided prior to entering military service, or the state or territory that the individual has since claimed as their legal residence. Even though the individual no longer maintains formal ties to that residence, the address determines their proper voting jurisdiction. To claim a new legal residence, an individual must have simultaneous physical presence and intend to return to that location as their primary residence.

Uniformed Service members and their eligible family members may change their residence every time they change permanent duty stations, or they may keep their residence at their previous location. This may mean that the family's Uniformed Service member has a different voting residence than his/her family members, because family members do not automatically assume the residence of the member.

FPCAs should be distributed to all members of your unit every January and in July of election years. **Be sure to reach eligible family members too.**

For recommended mailing dates see page 10 of the Voting Assistance Guide or visit FVAP.gov.

A voting residence establishes the jurisdiction to which the citizen must submit voting materials.

Chapter 3

Individuals should consult a legal assistance officer if they are not sure of their voting residence, because there are usually other factors that should be considered besides voting.

Spouses of Uniformed Service members may change their residency to that of the Uniformed Service members without establishing residency in that state.

Contact your legal assistance officer for help determining legal residence.

For overseas citizens: Overseas citizens' legal state of residence for voting purposes is the state or territory where they last resided immediately prior to their departure from the United States. This applies to overseas citizens even if they do not have property or other ties in the last state of residence. Children of these citizens should use the residence address of one of their parents or legal guardians. In some states, those who were born abroad and have never resided in the United States are eligible to vote absentee using their parent or legal guardian's address. To see if your state allows this, check the state pages in Chapter 2 of the Voting Assistance Guide (Guide) or find the listing online at FVAP.gov.

Helping individuals complete the Federal Post Card Application (FPCA)

The FPCA can be used by Uniformed Service members, their eligible family members, and overseas citizens to simultaneously register to vote and request an absentee ballot. As a VAO, you should help individuals correctly complete their FPCAs. Election officials determine the voter's eligibility to vote based on information provided in this application. Individuals should include all contact information on their FPCA and submit it early enough for election officials to contact them if they need additional information to process the form.

Check that FPCAs are filled out correctly and include:

- Signature and date
- Complete voting residence address (no P.O. Box addresses)
- Legible handwriting
- All information required by the state
- Complete current address (must be a different address than the voting residence address)

Remind voters to send the FPCA early enough to be received by the state registration and/or absentee ballot request deadline. If you are working in an IVA Office, offer to mail forms on behalf of the voter. Remember, collected forms must be mailed within five calendar days. Overseas voters must contact their embassy or consulate prior to dropping off forms.

Forms should not be sent directly to FVAP or an embassy/consulate as they are unable to process them.

Helping complete the Federal Write-In Absentee Ballot (FWAB)

If Uniformed Service members, their eligible family members and overseas citizens have requested, but have not received their state

Chapter 3

absentee ballot in time to vote and return it before the deadline, they should use the FWAB.

If citizens receive their state absentee ballot after submitting the FWAB, they should vote and return the state absentee ballot immediately. If the election office receives the state absentee ballot by the ballot return deadline, the state absentee ballot will be counted instead of the FWAB.

- To use the FWAB, citizens should have applied for a state absentee ballot before the state's ballot request deadline.
- The FWAB may be used to vote for federal offices in primary, general, special, or runoff elections.
- Some states have expanded the use of the FWAB and accept the FWAB for voting for state and local offices, and/or allow the FWAB to be used for voter registration and ballot request. Please see state information in **Chapter 2**.

Tips for using the FWAB:

- Individuals who have not received a requested state absentee ballot in time to return it before the election should immediately complete and send the FWAB to their election office. FVAP recommends voters use a FWAB if they have not received their state absentee ballot within 30 days of the election.
- The FWAB must be received by the election office no later than the ballot return deadline for that election.
- The Voter Information page must be completed and the mailing envelope must be signed and dated.

Conduct voter outreach events

Each regularly scheduled federal election year (every even-numbered year), FVAP works with the Uniformed Services and the Department of State to promote voter registration and absentee voting by conducting Voting Emphasis Weeks.

Armed Forces and Overseas Citizens Voters Week: June 28-July 5, 2020

Your goal: Deliver the FPCA to all Service members and their voting-age family members. Encourage everyone to fill out and submit the form immediately.

What you can do:

- Offer assistance in completing the form.
- Conduct nonpartisan voting workshops and registration drives. Invite election officials from your area to assist.
- Hang voting banners near installation entrances or display a voting slogan on installation marquees.
- Run voting Public Service Announcements (PSAs) at the installation theater.
- Put up posters with voter registration information in popular areas such as installation housing, gyms, commissaries and exchanges. Be sure to include your contact information.
- REMOVE

Federal offices include:

- The President and Vice President
- U.S. Senators
- U.S. Representatives
- U.S. Delegates (American Samoa, District of Columbia, Guam, the Virgin Islands)
- U.S. Resident Commissioner (Puerto Rico)

Overseas citizen groups and local election officials are excellent resources and VAOs should partner with them to conduct voting events.

Photos from successful Voters Week events can be found on our Facebook page. Do not forget to send yours to your SVAO!

Chapter 3

- Use media outlets to encourage voter registration. Advertise events on Facebook and in installation newspapers.
- Plan your events around Independence Day.

Absentee Voting Week: September 27-October 4, 2020

Your goal: Encourage everyone to return their voted ballots immediately or use the FWAB.

What you can do:

- Ask voters if they have received their requested state absentee ballot. If they have not, give them a FWAB and provide assistance with completing the form as necessary.
- Use media outlets to encourage people to return their state absentee ballot or the FWAB. Run reminders and articles in installation newspapers.
- Enlist the help of other VAOs, local election officials or overseas citizen organizations to conduct events encouraging people to return their absentee ballots.
- Put up posters that tell people how to reach you for help. Hang voting banners near installation entrances or display a voting slogan on installation marquees.
- Run voting Public Service Announcements at the installation theater.
- Host unit or installation "Voting Days" where computer terminals are set up for the purpose of receiving, completing, printing, and returning ballots electronically, if permitted by their state.

Keep voting supplies on hand

Maintaining an adequate supply of voting materials is an essential function of every VAO, even if you are using the FVAP Online Assistants. Voting materials include the FPCA and FWAB forms, motivational posters, voting banners, brochures, wallet cards, etc. To order materials, follow the instructions below.

Army

VAOs are responsible for ensuring that all absentee voting materials are made available to Service members. The Army's specific instructions are:

- FPCA (SF 76) - Primary method of use should be by guiding absentee voters to use the online assistant at FVAP.gov; it will guide voters in creating a completed FPCA. Secondary method of use is via downloadable PDF, available at FVAP.gov. If the primary and secondary methods of use are not possible because of operational constraints or other extraneous circumstances, order hardcopies (NSN 7540-00-634-5053) from Direct Support Stock Control outlets, GSA, or your unit supply via SABRS.
- FWAB (SF 186) - Primary method of use should be by guiding absentee voters to use the online assistant at FVAP.gov; it will guide voters in creating a completed FWAB. Secondary method of use is via downloadable PDF, available online at FVAP.gov. If the primary and secondary methods of use are not possible because of operational constraints or other extraneous circumstances, order hard copies (NSN 7540-01-218-4384) from Direct Support Stock Control outlets, GSA, or your unit supply via SABRS.

VAOs can order the following voting materials through your unit's publication manager (typically the S-1 office) via Marine Corps Publication Distribution System: Voting Assistance Guide (PCN: 10000662800); Motivational Poster (PCN:50100651000); Voting Banner (PCN: 50100652100).

Please provide the PCN or NSN numbers when requesting materials. For assistance, contact your Installation Voting Assistance Officer or the Service Voting Action Officer.

Coast Guard

VAOs should use the online forms as much as possible. If the preference is to keep a stockpile of forms, you can order FPCAs and FWABs from General Services Administration (GSA) using the following data: SF 76, FPCA (NSN: 7540-00-634-5053); SF 186, FWAB (NSN 7540-01-218-4384)

The *Voting Assistance Guide* is also available online. However, you should receive a *Voting Assistance Guide* through DHS whenever a new edition is issued. If you do not receive a new Voting Assistance Guide, contact your Service Voting Action Officer.

State Department

VAOs can order FPCAs and FWABs through the normal General Services Administration (GSA) supply channel.

- For expedited service, please contact GSA's National Customer Service Center via email at NCSCcustomer.service@gsa.gov or by telephone at 800-488-3111.

Chapter 3

- GSA requires the funding information, the stock number and the quantity. Use the following stock numbers: SF 76, FPCA (7540-00-634-5053); SF 186, FWAB (7540-01-218-4384).

You can order posters, brochures, wallet cards, and Voting Assistance Guides by sending an email request to votinginfo@state.gov. Posters and Voting Assistance Guides are free while supplies last and are shipped by diplomatic pouch.

Overseas Citizens Organizations

Other organizations can order forms, posters, brochures, wallet cards, and Voting Assistance Guides by sending an email request to vote@fvap.gov or calling 1-800-438-VOTE (8683).

International toll-free numbers can be found in the Appendix or at FVAP.gov.

Additional assistance

The Uniformed Services have extensive chains of command to provide voting support for military members and their families.

Installation Commanding Officer (CO)

The Installation Commander oversees voting assistance for the Installation Voter Assistance (IVA) Office. The IVA Office staff report directly to the Installation Commander while staffing the IVA Office. FVAP requests that Commanders make opening statements at FVAP workshops and facilitate travel arrangements for VAOs to attend workshops at surrounding installations.

Installation Voting Assistance Officer (IVAO)

The IVAO acts as a focal point on military installations in coordinating voting assistance support. IVAOs should maintain a roster of all unit VAOs on the installation, establish communications with VAOs, and provide necessary materials and support. IVAOs coordinate FVAP workshops with organizations from their installation and surrounding installations.

Installation Voter Assistance (IVA) Office Staff

These are people who staff the IVA Office. They provide assistance to military personnel, eligible family members, as well as civilian personnel and other civilians who have access to the office. They provide written instruction on voter registration and absentee ballot procedures and report directly to the installation commander. These individuals can be contacted with questions regarding local voting.

Legal Assistance Officer

This officer can be contacted with legal questions, such as determining voter residency. Often known as a JAG (Judge Advocate General) officer.

Chapter 3

Public Affairs/Information Officer

Contact this officer to ensure that voting information is included in installation or unit publications.

Inspector General (IG)

The IG is required by federal law to periodically review voting assistance programs to ensure compliance with DoD and Service directives and regulations.

Personnel/Human Resources Officer

Contact this officer to ensure that all newly reporting personnel and naturalized U.S. citizens are provided FPCAs and voting assistance.

Publications, Supply, or Distribution Officer

This officer ensures that VAOs receive FPCAs, FWABs and other voting materials.

Officers-in-Charge

These officers of exchanges, commissaries, special services activities, medical and dental facilities, education centers, family centers, etc. can coordinate the display of voting materials for Armed Forces Voters Week and Absentee Voting Week.

Other non-military support organizations that can assist in voter outreach

- Local election officials
- Veterans and service organizations, such as Veterans of Foreign Wars, the American Legion, the Non commissioned Officers Association, and the League of Women Voters
- Civic groups, American Chambers of Commerce, colleges and universities, and support organizations for overseas US citizens
- Spousal organizations

Run your program

Legal guidelines

VAOs must not provide partisan voting information from candidates, political parties, or partisan organizations. Military VAOs may receive questions from voters regarding whether they can distribute and/or display partisan materials at the military installations. VAOs should consult their Commanding Officer for their interpretation of *DoD Directive 1344.10 Political Activities by Members of the Armed Forces on Active Duty*, available online at [FVAP.gov](https://www.fvap.gov). Federally employed VAOs should refer to the *Hatch Act, Title 5 U.S.C. Sec. 7321*, link available online at [FVAP.gov](https://www.fvap.gov).

VAOs can advise citizens on locating information on candidates and issues using national, local and Service newspapers, magazines, radio, television, political party and campaign committee offices, overseas newspapers and periodicals, and state election websites.

Continuity folder

Continuity of your program is important for you, your assistant, your organization, and your successor. Create and maintain a Continuity Folder for your reference and to ensure that your successor understands what he or she is supposed to do. It should provide basic details on absentee voting procedures and contain anything that may help your backup or successor. Your folder should also provide a quick orientation of VAO responsibilities. It can be in the form of a notebook, file folder, or an online community folder, so long as it is readily available to other VAOs and assistants.

Your Continuity Folder should contain at a minimum:

- Your VAO Designation Letter (only military VAOs)
- Current FPCAs and FWABs
- Current Voting Assistance Guide (updates available online at [FVAP.gov](https://www.fvap.gov))
- Recent news releases
- Election Dates Calendar (during even-numbered years)
- Current State Department or Service guidance (directive, instruction, order, etc.)
- DoD Instruction 1000.04. (Federal Voting Assistance Program) and your Service Voting Action Plan
- Training materials and certificate from workshops
- Good ideas and lessons learned.

You can find all materials listed above in the VAO section of [FVAP.gov](https://www.fvap.gov) or through your normal Service supply chain.

Your SVAO may also have Continuity Folder requirements, for more details, see your Service Voting Action Plan.

Most VAO and IVA Office Continuity Folder documents can be downloaded in the VAO Continuity Folder section online at [FVAP.gov](https://www.fvap.gov).

Never include Personally Identifiable Information (PII) about individuals you have assisted!

Best practices include maintaining hard copies of inspectable documentation which may include training certificates, appointment letters, and a copy of your most recent metrics report.

Appendix

Helpful handouts for Voting Assistance Officers

On the following pages, you will find handouts which can be copied and distributed to assist voters. You can also find these handouts and other materials online at [FVAP.gov](https://www.fvap.gov).

Frequently Asked Questions (FAQs) about absentee voting:

Questions for all UOCAVA voters

What is UOCAVA?

The *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* extends federal absentee voting rights to Service members, their eligible family members, and overseas citizens.

Who is covered under UOCAVA?

UOCAVA covers U.S. citizens who are 18 or older AND active duty members of the Uniformed Services, Merchant Marine, or commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration; their eligible family members; and U.S. citizens residing outside the United States.

What is the Federal Post Card Application (FPCA)?

UOCAVA citizens can use the FPCA to register to vote and request an absentee ballot simultaneously. They can also use the FPCA to update their contact information.

What is the Federal Write-In Absentee Ballot (FWAB)?

The FWAB is an emergency backup ballot for UOCAVA citizens who did not receive an absentee ballot from their state in time to participate in the election.

Do I have to register to vote?

Most states and territories require you to register to vote. Fill out an FPCA to register and request an absentee ballot at the same time.

When should I request an absentee ballot?

You should send in a new FPCA every January and each time you move. We recommend that you send in an FPCA at least 90 days before the election in which you want to vote.

Do I have to send in a separate application for each election?

The FPCA allows you to request an absentee ballot for all federal elections in the calendar year. Depending on your state, you may receive a ballot with local or state offices and initiatives as well (e.g., Governor, City Council). We recommend that you send in a new FPCA every January and each time you move.

Can I vote at the embassy or consulate?

No. Elections are run at the state level. You must communicate directly with your state to register, request a ballot, and vote. Most embassies and consulates will help you to fill out the FPCA and FWAB, but they are not polling places.

When will I get my ballot?

Election offices are required to send absentee ballots at least 45 days before a federal election. If you requested your ballot by email, then the ballot should arrive right away. Mailed ballots will take longer to arrive depending on the postal system in the country where you are located.

What if I do not get a ballot?

If you do not receive an absentee ballot in time to return it to your state, you can use the FWAB as a backup ballot to vote for federal offices. If your official absentee ballot arrives after you send in the FWAB, then you can fill out and send in the official ballot as well. Your state will count only one.

FAQs for the FPCA and FWAB

Do I have to choose a classification?

Yes. This is how you tell the election office that you are eligible to vote absentee under *UOCAVA*.

What if none of these classifications apply to me?

Military Members: If you are an active duty military member (or family member) stationed within your voting jurisdiction, you are not covered under *UOCAVA* and should follow your state's regular voting procedures. You can use either the National Mail Voter Registration Form (NVRF) or your state's voter registration form.

Non-Military: If you do not reside outside of the United States but want to vote absentee, you must follow the standard absentee voting procedures for your state. You can look up your election office at <https://www.fvap.gov/search-offices> and contact them about obtaining an absentee ballot.

Can my immediate family members vote absentee?

Spouses and children who live away from their voting residence can request an absentee ballot using the FPCA. However, if they currently live where they are registered to vote, then they are not covered by *UOCAVA* and should vote at the local polls, or request an absentee ballot according to state guidelines.

I am the spouse of a Service member. Can I use the same residence or domicile as my Service member for my voting residence address?

Yes, you are allowed to retain the same residence or domicile that your Service member has established, even if you have not physically been present at that address. If you choose, you may instead elect to retain your established residency or domicile (if different from your sponsor).

You are not permitted to choose any state; you or your service member must have established residency in a state. Ways to do this may include voting, paying taxes, owning property, holding a driver's license, and registering a vehicle. Residency requirements vary by state. Please consult legal counsel to discuss tax implications and other effects of the Military Spouse Residency Relief Act (MSRRA).

Will it affect my citizenship if I select "my return is uncertain"?

No.

Can a U.S. citizen who has never lived in the country register to vote and request an absentee ballot?

Some states allow citizens who have never resided in the U.S. to use a parent's voting residence as their own. A list of these states is available online at <https://www.fvap.gov/citizen-voter/reside>.

What if I don't have a social security number or a state-issued ID?

In Section 6 of the form, under "Additional Information," write that you do not have a Social Security Number or a state-issued ID.

Does voter registration affect my tax status?

You can vote for federal offices without a change to your tax status, but voting for non-federal offices may result in state and local taxation. There may also be tax implications when changing your residence from one state to another. We recommend that you seek legal advice when changing your voting residence.

What is my U.S. voting residence address?

Your U.S. voting residence address is used to determine where you are eligible to vote. For military voters, it is usually the last address you lived at in your state of legal residence. For overseas citizens, it is usually the last place you lived at in the U.S. before moving overseas. You do not need to have any current ties with this address.

What if someone else lives there now or the house was torn down?

Your election office only uses your voting residence address to determine if you are eligible to vote in that jurisdiction and which ballot to send you. Your election office will not send any voting materials to this address.

What if I do not know my voting residence address?

If you cannot remember the U.S. address where you last resided, we recommend asking family members and checking old records. Your election office may also be able to help you further.

Can my voting residence and current address be the same?

No. In order to vote absentee, you must be living outside of your voting district.

Do I have to give my current address if I am asking for my absentee ballot by email or fax?

Yes. The election office needs your current address to confirm that you are eligible to vote absentee under UOCAVA. This is especially important for citizens residing outside of the U.S.

What if I don't know my overseas address or duty station?

If you do not know your overseas address or duty station, provide as much information as you can regarding your overseas address or duty station (e.g., country, city, etc.) in Section 3 of the FPCA and the FWAB. Use Section 6 of the forms to explain why you do not have an address overseas yet. Make sure you provide your email and phone number so the election office can contact you with any follow-up questions.

Do I have to put my political party?

Most states require you to specify a political party in order to vote in primary elections. This information may be used to register you with a party.

Do I have to give additional information?

Some states require additional information to process your application. Go to [FVAP.gov](https://www.fvap.gov) to find out what your state specifically requires.

Can I sign my FPCA or FWAB electronically?

Only the states of Nevada and Montana currently accept electronic signatures from the DoD Common Access Card. All overseas citizens and military voters in all other states must print the form, sign it and send it to your election office.

Does it matter what size paper I use?

No. Any paper size is acceptable as long as the information is legible.

How can I send my form?

All states will accept your form by mail, but they vary on email and fax. Check your state's requirements/guidelines at FVAP.gov.

Do I have to pay for postage?

You must pay for postage only if you are using a foreign postal service or a commercial courier service. If you are using U.S. mail including APO/FPO and diplomatic pouches, then you can use the postage-paid template available on FVAP.gov.

Can I use any envelope to mail my form?

Yes. Print the postage-paid template from FVAP.gov onto any available blank envelope.

Please note that some states require you to place ballots and FWABs inside an anonymous security/secret envelope. When sending your voting materials, make sure you have two envelopes; one for the ballot or FWAB and one for actual mailing. Place the security envelope along with the other balloting materials inside the mailing envelope. Once this is complete, you can address and send your voting materials to your election office.

What is a postmark?

A postmark is an official imprint applied on the address side of a stamped piece of mail by the post office. It shows when and where the post office accepted your mail.

How do I email my form?

Only email your form if your state will accept it this way. After printing and signing your form, scan and attach it to an email addressed to your election office. Do NOT send your form to FVAP.

What is the DoD Fax Service?

The DoD Fax Service is for those voters who cannot send their election materials directly to their election officials. To fax your election materials, use the FVAP Transmission Cover Sheet and fax to: (703) 693-5527, DSN 223-5527 or toll-free from the U.S., Canada, Guam, Puerto Rico and the Virgin Islands to 1-800-368-8683. If you need to send your election materials to your election official by fax but do not have access to a fax machine, you can email them to fax@fvap.gov and FVAP will fax your election materials for you. **This service is fax only.** If your state accepts your election materials by email, you should email them directly to your election official. FVAP will not transmit email-to-email transactions.

How do I check the status of my application?

Contact your election office directly to confirm that your form was processed successfully. FVAP does not have access to your registration information.

U.S. Embassy and Consulate Email Addresses

U.S. embassies and consulates can provide American citizens with voting forms and information about absentee voting, and can mail voter registration and absentee ballot request forms, and voted ballots back to the United States. Embassies and consulates can also advise voters on local mailing options and estimated mail transit times. In addition, the embassy or consulate can notarize or witness voting materials (if required by the state) free of charge. American citizens cannot vote in person at U.S. embassies or consulates, nor can embassies or consulates receive mail or blank ballots on behalf of voters.
