

**AIR FORCE  
DEPLOYMENT  
TRANSITION CENTER**

We want your stay at the Air Force's only Deployment Transition Center (DTC) to be a great one. One area we focus on is to help you relax and decompress. We understand that some people decompress by cooking or enjoying a home cooked meal. In this guide you will find a list of opportunities available for you through our standard kitchen, premier kitchens and grills and smokers all available for your use.

Ask your MSM or RT to take you to the commissary to pick up some groceries and bon appetit!

We hope you enjoy your time here at the DTC.

We appreciate your feedback! Please leave us any suggestions or feedback on your post-survey or in the GQ lounge suggestions box.
