## MÁRCIO F. OURIQUE

Mr. Márcio F. Ourique is the Director of Operations/Logistics Manager, 65th Logistics Readiness Squadron (LRS), 65th Air Base Group (ABG), Lajes Field, Azores, Portugal. He serves as the director of operations compliance, ensuring proper quality assurance and resource management, and also as the senior civilian to the commander, overseeing day-to-day operations. As the Director of Operations, he leads the unit in providing logistics support to the Air Base Group and allied forces operating in and throughout the Atlantic Ocean's area of operations. As a Lajes Field mission partner, he manages several supply warehouses and accounts with over 85K articles worth \$1.7M, \$25M in equipment, \$11M in capital assets, vehicle fleet valued at \$27M, a 52-acre tank farm, and directs the only Air Force owned vehicle processing center.

Previously Mr. Ourique was the Materiel Management Flight Chief/Operations Compliance Manager, where he managed supply chain operations supporting three squadrons, the Logistics Readiness Squadron's Quality Assurance program and oversaw the Squadron Resource management program where he was responsible for a budget of \$800K annually.

As the 3rd generation working at Lajes Field, Mr. Ourique first started working in Lajes Field for AAFES in 1998 as a warehouse worker (Materiel Handler/Fork Lift Operator). In 2008 Mr. Ourique joined the 65th Logistics Readiness Squadron as a Budget Technician, and has since worked in numerous positions within the unit.
