

Privately Owned Vehicle (POV) Storage

You may be eligible for POV storage under your government issued entitlement orders.

- ▶ POV Storage may be available based on your next Assignment.
- ▶ IAL provides POV storage services in accordance with the Global Privately Owned Vehicle Contract at no cost to service members.
- ▶ All IAL storage facilities are secure, well lit, and monitored 24/7.
- ▶ POVs are stored indoors and are maintained monthly with online tracking of maintenance via our website or mobile App.
- ▶ IAL has the capability to store and maintain Electric, Hybrid, and PHEV POVs.
- ▶ Expert POV transportation for entitled service members to and from our storage facilities through a network of 38 Vehicle Processing Centers around the globe.
- ▶ Contact your military transportation office to check for eligibility.

For additional information regarding IAL Storage, please visit our website.

Click on the "Storage" tab to review the quick and effortless process.
