

DIRECTORATE OF EMERGENCY SERVICES  
VEHICLE REGISTRATION  
\*Spousal Acknowledgement Memo\*

\_\_\_\_\_ (Plate Number)

I, (Rank & Name) \_\_\_\_\_ wish to add my spouse as:

- ☐ **Joint owner:** I acknowledge that if my spouse is listed as a Joint Owner that upon selling this vehicle to another DOD ID card holder, my spouse must be present in order to provide his/her signature to the Vehicle Registration clerk for authorizing the sale of the vehicle. If my spouse cannot be present for the sale of the vehicle, I understand that I must have in my possession a Notarized Power of Attorney/Bill of Sale or Divorce Decree to sell the vehicle without them being present. As a Joint Owner listed on the registration, my spouse has the ability to renew the registration without my presence but cannot sell the vehicle without me being personally present at the Vehicle Registration office. In order to remove a spouse from the registration, I am aware that both the Sponsor and the spouse must be present at the Vehicle Registration office and be willing to do so. The spouse will also provide a written letter authorizing the removal of his/her self from the registration as well as a new insurance confirmation card in the sponsor's name and a letter from the bank (if there is a lien) that states the person being removed is not a person who owes money to the bank.
- ☐ **Mandatory Joint Owner:** I understand that due to my spouse being listed on, the stateside registration, stateside title, German title book (Fahrzeugbrief) & German Registration (Fahrzeugschein) and listed on a bill of sale, that he/she must be listed on my USAREUR registration as a joint owner in order to register this vehicle.
- ☐ **Additional Driver:** I acknowledge that as an Additional Driver, my spouse has the authority to drive the vehicle and is entitled to fuel the vehicle at authorized locations. I further understand that if my spouse is listed on the registration as only an additional driver they do not have the authority to act in my name and will not be allowed to renew the registration on my behalf without a power of attorney.
