

# 521st Air Mobility Operations Wing Priorities and Goals

---

## **Priority 1:**

Execute and Sustain Rapid Global Mobility

### **Goals:**

1. Employ Best Business Practices and Technology to Enhance Velocity
2. Organize, Train and Equip for Maximum Efficiency

## **Priority 2:**

Develop and Care for Airmen and Their Families

### **Goals:**

1. Cultivate Personal and Professional Airmen Development Opportunities
2. Support Individual Units with their Host Installation Family Programs
3. Foster an Environment of Trust, Empowerment, Collaboration and Innovation
4. A Disciplined/Motivated Team Operating in an Environment of Dignity & Respect

## **Priority 3:**

Prepare the En Route for Tomorrow

### **Goals:**

1. Collaborate with HHQ to Lead Turn Training, C2, Technology, Infrastructure and Planning Requirements for Future State
2. Target Scope of Capability "Tier Matrix"
3. Identify and Deliberately Review Organizational Structure for Evolving Requirements

## **Priority 4:**

Develop and Enhance Partnerships

### **Goals:**

1. Communicate—Advocate & Educate Host Installation/HHQ on Needs/Capabilities
  2. Foster Joint, Coalition and Civilian Opportunities
  3. Build Trust by Deliberately Cultivating Mission Relationships
- 

**Flexibility, Tenacity, Velocity...DEPEND ON US!**
