Get Involved

- ♦ The School Advisory Committee (SAC) makes recommendations and advises the principal on school policy, instructional programs, resource allocation, student services, and student conduct. The SAC is an important venue for parent input regarding school matters.
- ♦ The School Advisory Board (SAB) serves as the advisory group to DoDEA District Superintendent and Installation Commander on issues concerning our schools and our children, such as school meals, transportation, safety & security, medical services, and installation policies related to dependent education.

You do not have to be a member of the SAC or SAB to participate and attendance is highly encouraged. Contact your local DoDEA school or SLO for more information on upcoming meeting dates.
