# Get Involved

- ◆ The **School Advisory Committee (SAC)** makes recommendations and advises the principal on school policy, instructional programs, resource allocation, student services, and student conduct. The SAC is an important venue for parent input regarding school matters.
- ◆ The **School Advisory Board (SAB)** serves as the advisory group to DoDEA District Superintendent and Installation Commander on issues concerning our schools and our children, such as school meals, transportation, safety & security, medical services, and installation policies related to dependent education.

You do not have to be a member of the SAC or SAB to participate and attendance is highly encouraged. Contact your local DoDEA school or School Liaison for more information on upcoming meeting dates.

## Bright Eyes Program

The Kaiserslautern/Landstuhl Spouses Association provides a free pair of glasses to the children of active duty families qualifying for the free lunch program. Please ask your School Liaison for more information.
